## **Company Profile**

McDonnell Construction & Development, Inc. is a third-generation long-term care general contractor formed by Larry F. McDonnell Jr. Since 1972, the McDonnell Family has successfully built, owned, leased, and operated long-term care facilities.

MCDC&D has extensive experience overseeing and managing construction of all phases on multimillion-dollar projects which include, new construction of/and remodeling/renovations of nursing facilities, skilled assisted living, and independent living facilities.

In January of 2018 MCDC&D decided to add residential projects. We offer new construction and remodels to residential clients.

We look forward to partnering with you on your next project.
